

Community Hub Sponsorship

The Community Hub is now open for business – the roof is watertight, the scaffolding is down, the café is open every day through the week, and interest groups are gradually starting up. Some of the support services will be visiting again soon, for anyone wanting help or advice on housing issues, healthy lifestyles, or to find out how to minimise wasted energy in the home.

Once the building is fully renovated, the rental income from the rooms that Hub activities don't use will pay for all the staffing and bills, but there is still a way to go with getting the rest of the refurbishment done.

If we can be assured of an income stream from sponsors to cover the basics such as salary bills, all other income can be directed into refurbishments.

Can you help us?

If you are willing to sponsor us for a fixed amount (of your choosing) per month, we can make better progress towards being self-sufficient. If you are a UK tax payer and sign a Gift Aid form, the Hub can reclaim the tax you have paid on the amount given at no extra cost to you.

If you have any queries, please don't hesitate to get in touch:

E-mail JaneEHSmith@nefcommunityhub.org
Message NEF Community Hub on facebook
Write to Jane H Smith, NEF Community Hub, Albany Park,
 St Andrews, Fife KY16 8BP

If you are unable to commit to a regular donation, other ways you can help:

- Make a one-off donation
- Put something in the donations tin in the café
- Tell others about the Hub
- Come and use the Hub café for meeting friends – any profits are ploughed back into the charity

Thank you for any help you can give.

Jane E H Smith, Director
